

## Dance Fusion: Student Contract

- \* I will respect Michelle Summers, and any other guest coaches or teachers she invites to help out.
- \* I will speak to my coach if I am to ever miss any practice, or performance. I will not miss class unless absolutely necessary. When I miss class, I understand that I put the entire team behind.
- \* I will not share any negative thoughts I may have of my teammates to anyone, at any time. There will be no eye rolling, rude comments, etc. If there is an issue, I will talk to the coach and allow them to handle the situation.
- \* Any discipline will be taken care of by Michelle or the coach of that team, not the student.
- \* I will be to class on time, with a good attitude, ready to work hard, with my shoes on, wearing appropriate attire.  
Men: Black slacks, running pants, basketball shorts, etc. Shirt, and dance shoes. **NO JEANS.**  
Ladies: Anything that allows movement. **NO JEANS.** There is to be no spaghetti strap tanks, no stomachs showing, no low cut shirts, and shorts must be at least finger tip length. When learning lifts, a shirt that can be tucked in or a leotard is necessary! Hair will be pulled out of dancer's face.
- \* I will not swear in class, at any competition, or at any performance.
- \* I will be at every competition and show. If there is truly a conflict, I will notify Michelle asap so she can see if there can be any adjustments to make it work out for everyone.
- \* I will be around other teams throughout the year. I will treat other teams with kindness and respect. I will not put anyone down or make fun of them, even if they are not showing me the same courtesy.
- \* I will not participate in any alcohol consumption, drug use, shoplifting, or any other illegal activity while on this team.
- \* There is to be no sexual activity while I am a part of Dance Fusion. If I choose to do such activity, there will be severe consequences, possibly resulting in removal from any, and all teams concerning Dance Fusion.
- \* I am allowed to date others on my team. I will be mindful of public affection and not make others uncomfortable with my actions. However, if things don't work out and the relationship ends, I will treat all with kindness, not spreading stories, and will be mature enough to be able to dance with any partner I am assigned to dance with, including my ex-girlfriend/ex-boyfriend with a positive attitude.
- \* I will not chew gum in class.
- \* I will respect the costumes, and anyone helping backstage to organize costumes. I will not throw any costume on the floor. I realize much time, effort and money have gone into these costumes. I will clean up everything I wear after each show, hanging up costumes on designated hangars and placing inside the costume bag. I will never take any ballroom costume home unless permission by Michelle has been given.
- \* The coach reserves the right to pull any dancer who is not fulfilling their commitment to the team for any show or competition.
- \* I will not have my hair dyed any unnatural color (red, blue, pink, etc) for any show or competition. As a male, I will keep my hair cut/styled to the way Michelle needs it done for competitions and shows.
- \* If I choose to not abide by these rules, I may be kicked off any teams relating to Dance Fusion.

I commit my time, effort, and talents to Dance Fusion and will abide by all listed above.
